

The Village Christmas Tree returns!

The village will have a Christmas tree beside the pond again this year, thanks to the financial support of Barkway Market & Parsh Council.

Everyone is invited to come along to the decorating and lighting of the tree on:
Sunday 8th December from 3-4.30pm.

Hot chocolate, mulled wine & mince pies will warm us through alongside live music & the community choir to get all in a Christmassy mood!

Santa & his sleigh will be flying in too!

And once again, come help us decorate.....

Please help us make this a real community event by making a Christmas decoration for the tree. The aim is to make decorations of natural materials. Packs of wooden Christmas decoration shapes will be available for collection. They can be Christmassified in any way you wish. Or feel free to create your own. Please keep them light & no larger than 10cm tall. (website links below for ideas)

You just bring the decorations to the event (or drop them off in advance) and they will be hung for you.

There is no charge for the packs or attending the event, but we will be collecting for the charity **Homestart** (a local community network of trained volunteers & expert support helping families with young children through their challenging times.)

Collect the packs from **Wednesday 20th November**

Fairway View, Nuthampstead Road. SG8 8FA

(They will be stored in a waterproof box beside the front door.)

Please only take one for each child/adult who wishes to do this in your household.

Any questions please call 01763 849932
